Cardiac Anesthesia And Transesophageal Echocardiography

Synopsis

A must-have guide for anesthesiologists new to the cardiac operating room DVD with 90+ narrated TEE clips

Book Information

Paperback: 332 pages

Publisher: McGraw-Hill Professional; 1 edition (April 4, 2011)

Language: English

ISBN-10: 0071717986

ISBN-13: 978-0071717984

Product Dimensions: 6 x 0.5 x 9 inches

Shipping Weight: 14.9 ounces

Average Customer Review: 3.4 out of 5 stars [See all reviews](#) (5 customer reviews)

Best Sellers Rank: #1,119,660 in Books (See Top 100 in Books) [#72 in Books > Textbooks > Medicine & Health Sciences > Medicine > Clinical > Surgery > Thoracic](#) [#179 in Books > Medical Books > Medicine > Surgery > Thoracic & Vascular](#) [#274 in Books > Textbooks > Medicine & Health Sciences > Medicine > Clinical > Critical Care](#)

Customer Reviews

The DVD was defective upon arrival. However, I did not notice this until months after purchase, when I tried to watch it. When I contacted MGH, they basically shrugged their shoulders and did not care. I will stay away from their books as much as possible in the future. So when you buy the book, open the DVD immediately and check that it works. While the book is pretty good, for echo training purposes it's almost worthless without the videos.

Very few books on TEE take such a novel integrative approach to learning TEE. No fluff and a lot of meat which lowers the learning curve for the basics of TEE. Highly recommend as probably the best book for residents I have seen...

I bought the kindle version, it was easy to download on my iPad and my droid X. Cannot access videos at all. After 2 hours on the phone with tech support, I was told the video is not compatible with kindle. It looks like you cannot view the video unless on a pc. No mobile device. If you are buying it for the videos, don't. It won't work.

Very interesting and easy read. An outstanding introduction to cardiac anesthesia practice and echocardiography. An excellent resource for both residents and CRNA trainees

fast shipping, fast delivery, item as described. Five stars!
