African American Student's College Guide: Your One-Stop Resource For Choosing The Right College, Getting In, And Paying The Bill (Black Excel)

Synopsis

Your One-Step Resource for Choosing the Right College, Getting in and Paying the Bill* Inside tips on admissions* Profiles of 100 top colleges* Hundreds of scholarship sourcesHow do you pick the right college? Can you get in? And if you get in, how will you pay for it? Choosing a college is the most important--and daunting--decision facing today's high school students. Unfortunately, when it comes time to narrow down the choices and throw the perfect admissions punch, young people are often left to navigate the tricky admissions process on their own. Now, from the nation's top African American college guidance service, comes help at last--a comprehensive, one-stop guide to finding the right college, getting in, paying the bill, and much more. With insider tips on the entire admissions process, including advice on choosing a school, getting into the elite colleges, writing a powerful essay, preparing for the SATs, and packaging the application, the book shows students how to package themselves. No wonder college counselors nationwide look to Black Excel for resource materials. A one-of-a-kind manual for success, African American Student's College Guide also provides:

- * In-depth profiles of the top 100 colleges for African American students
- * Black Excel's exclusive list of hundreds of scholarships
- * The ""Get-the-Money Guide""
- * Extraordinary sample essays
- * Invaluable Internet resources

Whether you're a superstar student shooting for the Ivy League or a high school underachiever who needs a ""second chance,"" African American Student's College Guide will give you that much-needed edge--including the ""real rules,"" insider's tips, and how to beat the admissions odds. BLACK EXCEL: THE COLLEGE HELP NETWORK is the nation's premier college help service for African Americans. Founded in 1988, it has garnered continuous praise for its personal counseling services, information packets, and its award-winning web site

Customer Reviews

The information provided in the book was informative, however over 1/3 of the letters I mailed out requesting scholarship information were returned due to bad addresses.

This book is well worth the price. It has paid for itself quite a few times!

I am a parent and I really loved this college guide! I have read several guides and this really did a great job of reviewing the colleges from an African-American perspective. My husband went to a historically black university (HBU) and he felt the comparison of the historically black university (HBU) to the predominately white universities was incredibly accurate. This book exceeded my expectations!

I work in a Middle Senior High School and I've purchased several copies of this book for students and friends' children that are headlong into their college search. This book helped my daughter select Duke University as her second choice school of which she's presently starting her third year there.

This guidebook has been meticulously researched and gives readers the kind of heads-up needed to get in the best schools and find money to pay for it. Solid info and insider coaching for every phase of the process. Invaluable.

This is a tip to students and parents. If you have a good student who is trying to get into a select school, this is the best help guide I've seen in years. My daughter and friends made top schools using this one

This book is an OUTSTANDING resource for high school students and parents who want a nuts-and-bolts guide to navigating the confusing college admissions and financial aid process with a sensitivity to issues concerning African Americans!!! I only wish that I could have benefitted from the wealth of information included in the pages of the Black Excel African American Student's College

Guide back when I was a high school student! I would definitely recommend this book not only for African American high school students, but also for junior high school students who have aspirations to obtain a college education and get into the best school for them! I commend Isaac Black for writing this book and I plan to continue to recommend it to students that I mentor and meet!
