Essentials Of Patient Education

Synopsis

Accompanied by an online instructor's resource manual with downloadable PowerPoint slides and accompanying notes! Essentials of Patient Education, based on Susan B. Bastable's best-selling Nurse as Educator: Principles of Teaching and Learning for Nursing Practice, Second Edition, prepares nurses for their ever-increasing roles in patient teaching, health education, and health promotion. This application-based text addresses the needs and characteristics of the learner and discusses appropriate instructional approaches, as well as providing nurses and nursing students with a thorough comprehension of and the skills necessary in the teaching and learning process.

Customer Reviews

This textbook is a must have for those nurses in the role of patient educator. A well written, concise, and complete handbook.

used this text for class last semester, the material is a little dry but it has lots of great use as a reference

Good book, needed it for my class. Arrived quickly and it good condition.

awesome study material
