## Customer Reviews

I read this book on the plane en route to the grand daughter's house. It was wonderfully inspiring. Mr. Barnes gives concrete examples and reasons to be involved in the lives of our grandchildren. I would recommend this book to any grandparent who loves the grandchildren for eternity!

Excellent as all of Emilie Barnes books are. Down to earth and so easy to apply to your life with those wonderful gifts from God.

I wish I would have read the reviews too much religious overtones for me

Another excellent book by Bob and Emilie Barnes!
