GHOST (Boston Underworld Book 3)

Synopsis

Talia. I have always been a bird. Caged by one prison or another when the only thing I ever wanted was to fly away. Sold. Beaten. Starved. Drugged. Nothing scares me anymore. Until him. He makes the numbness go away. He is hazardous to me. It has nothing to do with his mafia lifestyle, and everything to do with what he offers. A gilded prison. A retreat from everything that I once knew. The reality I have no desire to return to. He thinks he's caged me, but soon I'll be going to fly. Alexei. I live by a code. The Vory code. In this mafiya world, there are traditions. Expectations. She does not care for these things. She does not care about anything. She thinks she has me fooled with her haunted eyes. What she can't know is that I see her better than most. She wants to fly. But I'm going to clip her wings. And make her my wife. **This is a DARK mafia romance. A full-length standalone novel with HEA and no cheating.**

Ghost is another master piece by Ashleigh Zavarelli. I couldn't think she could write a better story than Crow, but she did that with first Reaper and now Ghost. She created a world so intricate and

complex, with so many competing forces it keeps you on the edge of your seat. Ghost, to me was the hardest book to read (and if you read Reaper, you know that says a lot). Be warned, Ghost isn't an easy book to read simply because it's REAL! The writing is amazing as always, the characters are complex, flawed, scarred, scary, and yet you find yourself rooting for them. Ghost tells the story of Talia - Mack's friend from Crow (book #1 in the series). We learn Talia was sold as a sex slave by a man who pretended to love her. Talia's POV from the moment she learns of the betrayal, her bleak present and her life as a sex slave were the hardest parts to read. I made myself read every word Ashleigh Zavarelli wrote, because Talia deserved that. We had to learn what she went through, what she was feeling, or more accurately, how she dealt with the pain (both physical and emotional) and how she learned to distance herself in order to survive. And Talia did SURVIVE. And she found herself married to Alexei. Why would a person of Alexei's rank in the Russian mafia be interested in a marriage with her? Alexei was a puzzle. We know he is lethal, we know he has power. But why does he live like a ghost? Why does he rarely leave the house he built for himself? Talia and Alexei have a rocky beginning to say the least.
